Overview

The Corporate Business Transactions team at Lung Rose Voss Wagnild provides comprehensive legal services to help clients navigate complex business challenges and achieve strategic goals.

Our attorneys assist with structuring, planning, and executing a wide range of transactions tailored to meet the unique needs of each client.

What We Do

- Mergers and acquisitions
- Planning and asset protection
- Asset acquisitions and sales
- Corporate strategic planning
- Corporate structuring

Experience

Select Results

- Represented hundreds of companies and individuals in structuring and forming new business entities in Hawaii.
- Assisted existing corporations, limited liability companies and partnerships from small closely-held businesses to large corporations with, among other things, licensing, regulatory compliance, business planning, commercial contracting, corporate restructuring, changes in ownership, mergers and acquisitions, and succession planning.
- Co-Editor-in-Chief and Co-Author of the Hawaii Business Forms Manual (HSBA) which provides Hawaii attorneys with forms, examples, explanations and recommendations regarding selecting, structuring and forming business entities in Hawaii.
